EDUCATION

Pacific State University, Khabarovsk, Russia

1998 – 2003

Specialist Degree in Management (Socio-Cultural Services & Tourism)

Five-year integrated programme focused on organisational management, strategy, and service operations; completed with graduation thesis.

PROFESSIONAL EXPERIENCE

Marie International School — Japan

Operations & Programme Coordination Lead

2021 – 2024

Joined during an early-stage growth phase, contributing to operational structuring across multiple campuses during a threefold increase in enrolment and team size. Focused on creating clarity within developing systems, strengthening cross-team coordination, and ensuring service continuity during rapid expansion.

- Coordinated daily operations across 3+ functional areas, supporting consistent service delivery for 100+ students and families during rapid growth.
- Managed scheduling and workflow coordination for 20+ staff members, strengthening alignment and communication across campuses.
- Maintained and streamlined 30+ operational documents, records, and compliance registers, improving process clarity and administrative consistency.
- Acted as primary liaison between leadership, staff, parents, partners, and suppliers, handling 50+ weekly enquiries with structured and timely communication.
- Coordinated 10+ cross-campus programmes, events, and initiatives from planning through execution, including large-scale events involving 150+ attendees and 20+ staff.
- Supported onboarding and integration of new team members during rapid expansion, reinforcing scalable processes and service consistency.

Independent Client Services & Programme Coordination - Japan

Self-Employed

2012 - 2020

Operated an independent, demand-driven service model within a competitive and highly seasonal market, managing end-to-end programme delivery without institutional infrastructure.

- Designed and delivered customised client programmes for international B2C and B2B clients, managing full service lifecycle coordination.
- Managed seasonal revenue planning, expense tracking, and invoicing, maintaining financial oversight and supplier cost control.
- Coordinated 5–10 external vendor bookings per programme, ensuring seamless multi-provider execution.
- Analysed demand trends and adjusted service offerings based on seasonal patterns and operational capacity.
- Built referral networks and independent marketing channels, generating repeat and word-of-mouth business.

Translation & Content Operations Support (Freelance)

2008 – 2012

- Managed multiple concurrent client projects involving documentation coordination and marketing content localisation (English–Russian).
- Ensured deadline adherence, quality control, and alignment with client communication standards.
- Supported operational and promotional documentation for service-based and education-focused organisations.

Spartak Tour Ltd. - Russia

Outbound Tourism Manager

2003 – 2006

- Coordinated international programme logistics, supplier alignment, and visa documentation processes across multiple destinations.
- Managed client communication and coordination with overseas partners and service providers.
- Structured programmes aligned with client and business requirements.
- Supported promotional initiatives contributing to programme delivery and client acquisition.

ADDITIONAL INFORMATION

Extensive international experience across Russia, Japan, and New Zealand, operating in multicultural and cross-functional environments.

Demonstrated ability to enter new organisational systems quickly, establish operational clarity, and maintain delivery consistency during growth phases.

Recognised for structured thinking, reliability, and composed decision-making in fast-paced settings.
